Sir:

The Filing Receipt for this application, a corrected copy of which is enclosed, contains two errors. The first error is in the title. The word "site" should be plural. In other words, there is an "s" missing from the end of the word "site." The second error is that a Nonpublication Request was, in fact, filed. Photocopies of the Nonpublication Request, the Letter of Transmittal, and the postcard receipt are enclosed.

As a result of the second error, this application was mistakenly published on July 18, 2002, as Publication No. US-2002-0095442-A1. Please issue a corrected Filing Receipt and ensure that the Applicants are not charged the publication fee. Thank you.

Respectfully submitted,

*Philip L. Bateman*
